You May Assort — No additional hazardous shipping fee on below solutions

Ammoniated Jewelry Concentrate

This popular cleaner is strong and effective, with the added power of ammonia. Adds sparkle and brilliance in minutes. Safe for use on gold, silver, diamonds and gemstones.

CL170 Gallon (makes 8 gallons) **\$38.95**

Non-Ammoniated Jewelry Concentrate

The ideal solution for all jewelry cleaning without the added ammonia. Cleans safely and effectively, works on gold, diamonds and gems.

CL273 Gallon (makes 11 gallons) **\$39.95**

Instant Dip Silver Cleaner

Ellanar Dip instantly removes tarnish from sterling and most silver plates in seconds. This solution works so effectively and so quickly that as soon as Dip is applied the tarnish disappears. Simply dip, rinse, dry and silver looks like new.

CL173 16 oz bottle — Perfect resale item **\$6.95 ea \$68.95 dz**

CL175 Gallon **35.95**

Extra Fine Watch Cleaning Solution

Provides the highest possible shine for watch parts. Formulated for mechanical watch cleaning machines where a more efficient cleaning material is needed.

CL109 Gallon **\$51.95**

Waterless Nofome Watch Cleaning Solution

For use on all delicate watch parts. This solution cleans uniformly with thorough results.
